North Reading, Massachusetts

WE MAY NEVER PASS THIS WAY AGAIN

Life — so they say
Is but a game and they let it slip away
Love — like the Autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up, always up

We may never pass this way again

Dreams — so they say
Are for the fools and they let them drift away
Peace — like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ship out on the open sea
Cast away our fears and all the years will come and go
And take us up — always up

We may never pass this way again

So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
'Cause you make me feel like I'm more than a friend
Like I'm the journey and you're the journey's end
I may never pass this way again
That's why I want it with you

We may never pass this way again

We may never pass this way again

Senior Spirit?

Some people make love to anything.

Beauty contest winners.

It wasn't raining then.

We worked so hard for this?

IN APPRECIATION

This year marks Mr. Weisse's twenty-first year at North Reading High School; and his accomplishments of the past years are just too numerous to mention.

Although his efforts are often unacknowledged, they do not go unnoticed by the students and faculty at N.R.H.S. Thanks to Mr. Weisse's instruction, the music department is proud to hold many awards from performances of Senior Concert Band, the Jazz Ensemble, and the Stageband.

One of the best marching bands in the Cape Ann League can be found practicing in the high school parking lot. The band has become a great asset to the town of North Reading. Football fans are proud to have them perform at half time. Mr. Weisse also coordinates the intricate marching patterns with the flag squad, the majorettes, and the color guard. The combination results in a spectacular performance.

This year, because of scheduling problems, Mr. Weisse performs magic as he teaches two classes during the same period. These classes, Chorus and Concert Band, combine to perform two concerts yearly.

Mr. Weisse not only runs the music program at the high school single-handedly, but he is also the music coordinator for the entire school system of North Reading. As if this wasn't enough, he also spends an endless amount of hours every Spring working on the annual musical.

These are only some of the reasons why this yearbook is dedicated to you, Mr. Weisse. Your devotion to music has been an inspiration to your students and to the school. Sincere thanks from the Class of 1979.

Daydreaming.

Lets not go back.

We want food!

Lets get out of here.

I think we may have missed the bus.

How boring!

Don't take the picture yet!

Do you think she'll say yes?

Catching 40 winks.

Run that by me again.

Good thing I studied.

What a breeze.

Daydreaming.

Lets not go back.

We want food!

Lets get out of here.

I think we may have missed the bus.

How boring!

Don't take the picture yet!

Do you think she'll say yes?

Catching 40 winks.

Run that by me again.

Good thing I studied.

What a breeze.

I think I am in love.

It's stuck to the roof of my mouth.

I think I could like this place.

Hi! I'm Miss Kerwin.

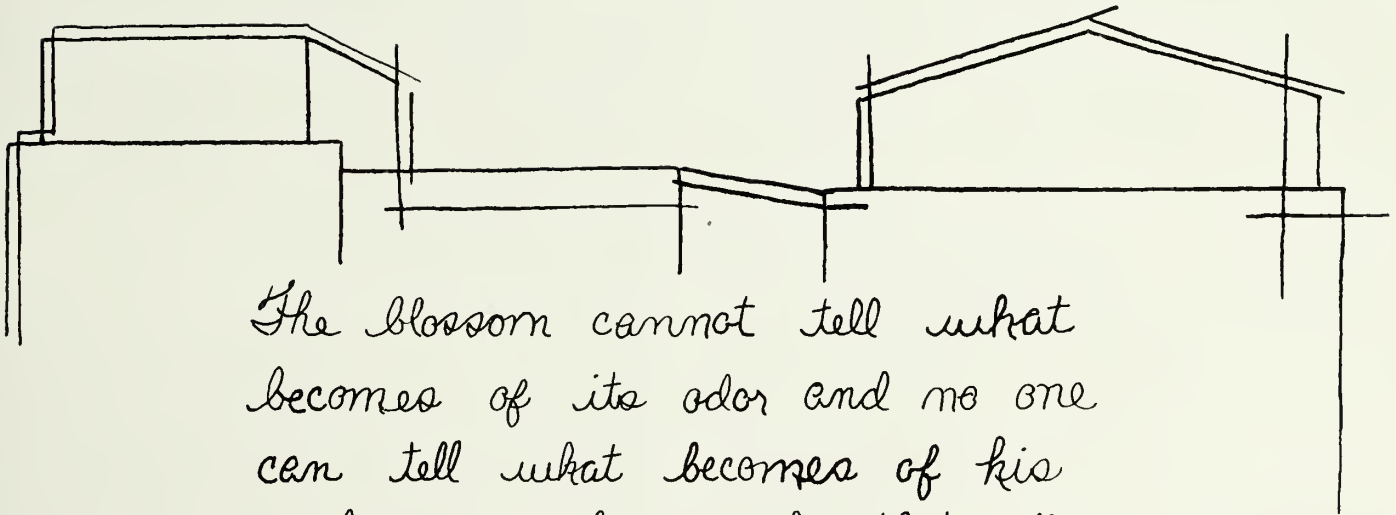

OH NO! More dishes?

Just another day.

You're not that great looking either.

The blossom cannot tell what
becomes of its odor and no one
can tell what becomes of his
influence and example that roll
away from and go beyond his view

There is an energy in us
which makes things happen
when the paths of other per-
sons touch ours
and we have to be there
and let it happen

When the time
of our particular sunset comes
our thing, our accomplishment
won't really matter a great deal

But the clarity and care
with which we have loved
others
will speak with vitality
of the great gift of life
We have been for each other.

Do Seniors really do it better? No, they do it best! And we proved it by winning Spirit Week once again.

It was not, however, the only victory of the week. Our spirit carried us through the rally and onto the field where the Hornets proceeded to become the C.A.L. Champs with a 21-8 victory over Lynnfield.

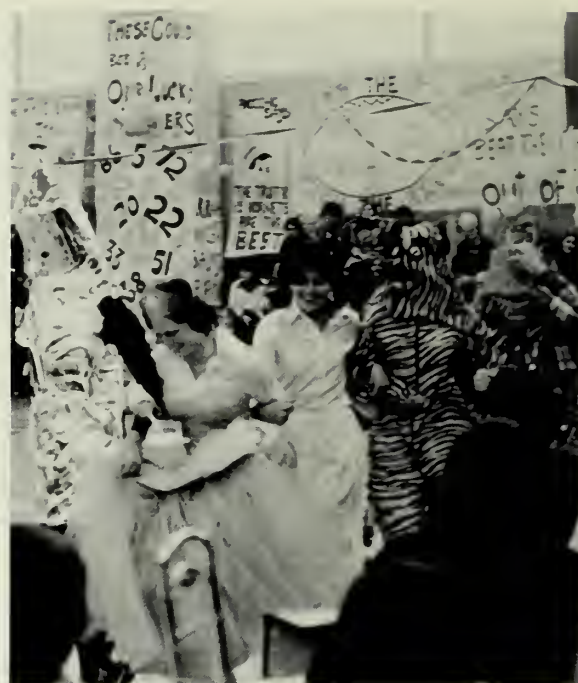

Awaiting the final decision.

We're off to see the Wizard

Hey guys, only 600 more to go!

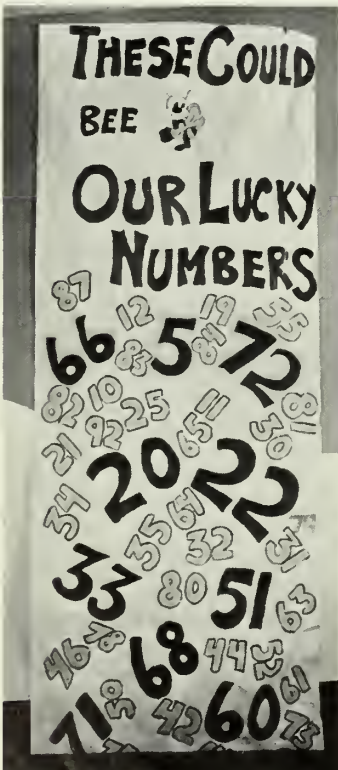

Hey, don't leave me here!

Powder Puff was a Senior Success 8-0.

Meet the New Patriots offense.

I Got It!

Come on you guys it's freezing out!

What should I do now?

Juniors plan their strategy.

That stupid REF!

AFTERWORD

A dream has reached fulfillment,
We're graduates today;
Our hopes leave grown and blossomed
Like lilacs in the May,
No brighter time we'll know
Though years may come and go,
Than this commencement memory
With each one's heart aglow.

This dream has borne us skyward,
We've reached our goal today;
And with our hearts triumphant
We sing along the way.
Oh hours of light sublime,
Dear graduation time,
No words can voice our rapture
That now we've made the climb.

IN MEMORY OF

LISSA SWEETLAND

We sat and thought,
then we walked awhile.
I looked at you
But you would not smile.
I want you now,
and I wanted you then.
But this is it,
it is the end.
L.S.

If I had the chance to change my identity . . . I don't think
I would.
I am having a hard enough time trying to be myself.
L.S.

Asides . . . School is probably the best years of your life.
Why don't we realize this until after we are out?
L.S.

JOHN
EISENHAURE

We must remember
people
Just the way they were,
For smiles sometimes
happen,
And sadness does occur.

Friends are really
special
Though people do not
know,
It's love that's hard to
show.

We very often do forget
The love that John has
brought,
But many friends and
relatives
Know the lesson God
has taught.
Love from Maria C.

Memories
Dreams and thoughts that all come true
memories both happy and blue.
Your life is aging day by day there's no forward or rewind,
only today!
You've aged through mistakes, both good and bad your
good times were good, and your bad times were bad.
You never thought you'd make it sometimes but things
come through and then you're fine.
Your schoolday years are almost through, you progressed
every day with what you knew.
It will soon come time to say goodbye.
And your head will long for those laughs and crys
The time will come to begin a career,
but never forget these golden years.
J.D.

Death is a hard thing to accept in our lives. At one time or another all must face it. We will lose somebody dear to us and it will make us unhappy. We must admit to ourselves that we are actually angry at this person for dying. We feel that he or she has left a burden on our lives because we are suffering while they are gone. Death is like Love, even though they can be considered opposites, we mourn and cry when we lose them. Love, on the other hand, can be wonderful when you have a loyal and honest partner who loves you more each day. I hate to even think of somebody close to me, that I love . . . gone . . . dead. We must try to remember this person when he or she was alive. When he or she was involved in many activities. We should look at the person . . . not sorry . . . for if God wanted them alive . . . they would be.

We all have our time to die . . . some sooner than others. We must try to go on and live our lives to the fullest . . . as others have done in the past.

Always Have A Dream

Forget about the days
when it's been cloudy,
but don't forget your hours in the sun . . .

Forget about the times
you've been defeated,
but don't forget the victories you've won.

Forget about mistakes
that you can't change now,
but don't forget the lessons that you've learned . . .

Forget about misfortunes you've encountered,
but don't forget the times your luck has turned.

Forget about the days when you've been lonely,
but don't forget the friendly smiles you've seen . . .

Forget about the plans
that didn't seem to work out right,
but don't forget to always have a dream.

— Amanda Bradley

GUY GARON.

A special thanks to Mr. Max Mueller for the time he has dedicated to the 1979 Yearbook. He has given us a lot of his help and understanding, but most of all he has given much patience.

His sense of humor, along with his many jokes has helped get the staff through many tough times. His ideas and suggestions have been greatly appreciated for this has been our first year as well as his.

We would like to thank him for he has worked above and beyond his duty to make this year's book a success.

The Real Estate People

Join the people who've joined the Army.

A lot of young men and women have discovered a good place to invest their time . . . The Army. What they've found here, they may not have been able to get anywhere else.

Some came to learn a skill. With training in hundreds of different fields to choose from. Some came for the chance to travel in Europe, Korea, Alaska, the Canal Zone, Hawaii, or almost anywhere in the U.S.A.

Some came to meet a unique personal challenge. Like assuming responsibility at an early age. Some came to get a start on their college education on their own time. With the Army paying up to 75% of the tuition for approved courses.

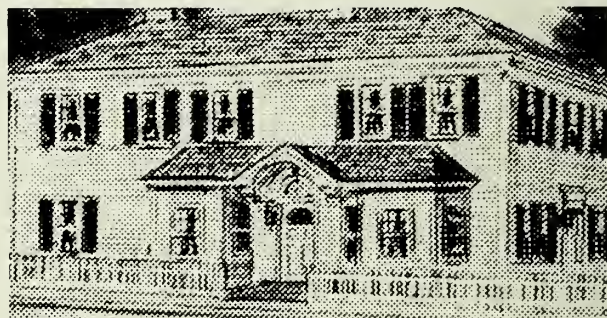

And some came to do something positive for their country. Which is a pretty good reason in itself.
